The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, 'Catalog', 'Manage', and 'Mithun B's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with six cards: 'Build', 'Create and deploy an application', 'Create a custom dashboard', 'Explore IBM Cloud Shell', 'Get started with Containers & Kubernetes', and 'App Connect'. Each card includes a brief description and a 'Getting started' button with a time estimate. Below this, there are four sections: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status', each with a 'View all' link. The bottom of the screen shows a Windows taskbar with various application icons and a system tray indicating the time as 09:48 PM on 16-11-2022.
